SOMMAIRE

MEMORIE VAN TOELICHTING

Bij wet dd. 23 december 1994 verleende uw Vergadering zijn instemming met het Akkoord houdende oprichting van de Wereldhandelsorganisatie (WHO), Slotakte, Bijlagen 1A, 1B, 1C, 2, 3 en 4, Besluiten en Verklaringen, en Memorandum van Akkoord inzake de verbintenissen betreffende financiële diensten, ondertekend te Marrakech op 15 april 1994.

Dit Akkoord, waarin de resultaten neergelegd werden van de multilaterale besprekkingen in het kader van de Uruguay-Ronde die eind december 1993 werd afgerond, trad in werking op 1 januari 1995.

Bijlage 1B van het pakket internationale akten vormt het Algemeen akkoord inzake de handel in diensten (GATS).

Art. 1.2 van het GATS-Akkoord onderscheidt 4 vormen van internationale dienstverlening :

1) de grensoverschrijdende dienstverlening : wanneer de dienstverlening afkomstig van het grondgebied van één Staat en bestemd voor het grondgebied van een andere Staat, zonder verplaatsing van personen gebeurt (bijvoorbeeld, via elektronische post)

2) het verbruik in het buitenland : wanneer een persoon op het grondgebied van een andere Staat de dienst verbruikt (bijvoorbeeld toerisme),

3) de commerciële aanwezigheid : wanneer de dienstverlening gebeurt via een bijkantoor of een dochteronderneming in het buitenland,

4) het personenverkeer : wanneer de dienst verleend wordt door een natuurlijk persoon die zich verplaatst naar een land waarvan hij niet-resident is.

De Leden van de WHO verbinden zich er toe hun markten te liberaliseren door middel van lijsten met verbintenissen («schedules of commitments»). Gezien de noodzaak van een snelle bekraftiging van dit Protocol, vindt U deze verbintenissen in de taal waarin ze oorspronkelijk doorgegeven werden aan de WHO, waarvan de werktalen het Engels, het Frans en het Spaans zijn. Een vertaling in het Nederlands en in het Frans van de lijsten die verplichtingen opleggen aan België en de Europese Gemeenschappen, zal toegevoegd worden aan het dossier op het ogenblik van de neerlegging bij het Parlement.

Hierin vermelden de Leden van de WHO, voor de verschillende sectoren van financiële dienstverlening (financiële diensten, telecommunicatie, maritiem transport, audiovisuele diensten, professionele diensten) en dit voor elk van de voornoemde vormen van dienstverlening :

- de uitzonderingen op de toegang tot hun markten — Bijvoorbeeld, voor de tweede vorm-beperking op het bezit van buitenlands kapitaal in de dienstverlenende bedrijven (tweede kolom);

- de uitzonderingen op de nationale behandeling
- Het gaat erom de kansen gelijk te stellen voor

EXPOSÉ DES MOTIFS

Par loi du 23 décembre 1994, votre Assemblée a donné son assentiment à l'Accord constituant l'Organisation Mondiale du Commerce (OMC), Acte final, Annexes 1A, 1B, 1C, 2, 3, 4, Décisions et Déclarations, et Memorandum d'Accord sur les engagements relatifs aux services financiers, signés à Marrakech le 15 avril 1994.

Cet Accord, qui reprend les résultats des discussions multilatérales dans le cadre de l'Uruguay Round clôturées fin décembre 1993, est entré en vigueur le 1^{er} janvier 1995.

L'Annexe 1B du paquet d'actes internationaux constitue l'Accord général en matière de commerce des services (GATS).

L'Art. 1.2 de l'Accord GATS distingue 4 modes de prestations internationales de services :

1) les fournitrices transfrontières : lorsque la prestation de services en provenance du territoire d'un État et destiné au territoire d'un autre État, est transmise sans déplacement de personnes (par exemple, par voie électronique),

2) la consommation à l'étranger : lorsqu'une personne consomme le service sur le territoire d'un autre État (par exemple, le tourisme),

3) la présence commerciale : lorsque la prestation de services est effectuée dans une succursale ou filiale à l'étranger,

4) les mouvements de personnes : lorsque le service est presté par une personne physique qui se déplace dans un pays dont il n'est pas résident.

Les membres de l'OMC s'engagent à libéraliser leurs marchés, par le biais de listes d'engagement («schedules of commitments»). Vu la nécessité d'une ratification rapide de ce Protocole, ces engagements figurent dans la langue originale de transmission à l'OMC dont les langues de travail sont l'anglais, le français et l'espagnol. Une traduction en néerlandais et en français des listes qui créent des obligations pour la Belgique et les Communautés européennes sera ajoutée au dossier au moment de son dépôt au Parlement.

Dans celles-ci, les Membres de l'OMC mentionnent, pour les différents secteurs de services (Services financiers, télécommunications, transport maritime, services audiovisuels, services professionnels), et ce pour chacun des modes susmentionnés de prestation de services :

- les exceptions à l'accès à leurs marchés — Exemple pour le second mode: limitation à la détentio-n de capital étranger dans les entreprises prestataires de services (seconde colonne),

- les exceptions au traitement national — Il s'agit de donner des chances égales aux entreprises presta-

nationale en buitenlandse dienstverlenende bedrijven (derde kolom);

— andere uitzonderingen (vierde kolom).

Er dient benadrukt dat de verbintenissen tot liberalisatie slechts gelden voor de sectoren die in de eerste kolom vernoemd zijn.

In verband met de financiële diensten werd te Marrakech door de Ministers een beslissing genomen luidens welke de Leden van de WHO gedurende een periode van zes maanden na de inwerkingtreding van het Akkoord houdende oprichting van de WHO de mogelijkheid zouden hebben hun verbintenissen aangegaan eind 93 te verbeteren, te wijzigen of in te trekken, zonder enige compensatie. Deze verlenging met zes maanden werd overeengekomen ten einde het niveau van de verbintenissen die opgenomen werden bij het einde van de Uruguay-Ronde te verbeteren.

Binnen de overeengekomen termijn hebben de Europese Gemeenschap en haar Lidstaten, waaronder België, lijsten met verbintenissen ingediend. De Verenigde Staten deden dit niet. Daarom werd besloten de termijn van zes maanden te verlengen met één maand.

Op 28 juli 1995 hebben de Europese Gemeenschap, haar Lidstaten en 28 andere Leden van de WHO hun aanbod ingediend.

Het Europese aanbod was, op enkele details na, identiek met dat, opgesteld bij het einde van de Uruguay-Ronde, en was zelfs geheel identiek wat België betreft.

Slechts enkele Aziatische en Latijns-Amerikaanse landen hebben hun aanbod opmerkelijk verbeterd. De Verenigde Staten hebben geen enkele verbintenis aangegaan, aangezien ze hun aanbod van de Uruguay-Ronde ingetrokken hebben. Zodoende genieten de Verenigde Staten, door de toepassing van de «meest begunstigde natie-clausule», van de liberalisering van de markten van de andere Leden van de WHO die wel verbintenissen hebben opgenomen, zonder hun eigen markt te openen.

De nieuwe lijsten met verbintenissen betreffende de vrijstelling van de toepassing van de meestbegunstigingsclausule, werden als bijlage bij het Tweede protocol bij het GATS-Akkoord gevoegd.

Dit akkoord is slechts een tussenstap op de weg naar een verdere liberalisering van de markten in financiële diensten. Er werd immers overeengekomen dat nieuwe onderhandelingen zouden starten in de helft van '97. De Europese Unie zal dan niet aanvaarden dat er een nieuwe liberalisering zou overeengekomen worden zonder deelname van de Verenigde Staten en andere belangrijke handelspartners. Deze vereiste zal naar voren gebracht worden tijdens de Conferentie van Singapore waarop de kalender der werkzaamheden voor 1997 en 1998 zal opgemaakt worden.

Het Protocol is evenwel nog niet in voege. Het bevat daarenboven geen toetredingsclausule, zodat het slechts in voege kan treden na de laatste ratificatie. Men mag dus het politiek risico niet uitsluiten, zelfs al

taires de services nationales et étrangères (troisième colonne),

— d'autres exceptions (4^e colonne).

Il faut souligner que les engagements à libéraliser ne valent que pour les secteurs mentionnés à la première colonne.

En ce qui concerne les services financiers, il a été décidé par les Ministres à Marrakech que les Membres de l'OMC auraient la possibilité d'améliorer, d'amender ou de retirer les engagements pris fin 93, sans devoir procéder à des compensations, ce au cours d'une période de 6 mois après l'entrée en vigueur de l'Accord constituant l'OMC. Ce prolongement de six mois a été convenu dans le but d'améliorer le niveau des engagements pris à la fin de l'Uruguay Round.

La Communauté européenne et ses États membres, dont la Belgique, ont introduit des listes d'engagements endéans le délai convenu; mais les États-Unis n'en firent pas autant. C'est pourquoi la période semestrielle a été prolongée d'un mois.

Le 28 juillet 1995, la Communauté européenne et ses États membres ainsi que 28 autres Membres de l'OMC ont introduit leurs offres.

L'offre européenne étant, à quelques détails près, identique à celle rédigée à la fin de l'Uruguay Round, et même tout-à-fait identique en ce qui concerne la Belgique.

Seuls quelques pays asiatiques et latino-américains ont substantiellement amélioré leur offre. Quant aux États-Unis, ils n'ont souscrit aucun engagement, ayant retiré leur offre de l'Uruguay Round. Ils bénéficient ainsi, par le biais de la clause de la nation la plus favorisée, de la libéralisation des marchés des autres Membres de l'OMC qui ont accepté des engagements, sans ouvrir leur propre marché.

Les nouvelles listes d'engagements quant aux exemptions à la clause de la nation la plus favorisée ont été annexées au deuxième Protocole à l'Accord GATS.

Cet Accord n'est qu'une étape intermédiaire sur la voie d'une plus grande libéralisation des marchés de services financiers. Il a en effet été convenu que de nouvelles négociations seraient entamées à la mi 97. La Communauté européenne n'acceptera pas, alors, qu'une nouvelle libéralisation soit convenue sans la participation des États-Unis et d'autres partenaires commerciaux importants. Cette exigence sera avancée au cours de la Conférence de Singapour lors de laquelle le calendrier des travaux de 1997 et 1998 sera convenu.

Mais le présent protocole n'est pas encore en vigueur. En outre, il ne contient pas de clause d'accession; il ne peut donc entrer en vigueur qu'après la dernière ratification. On ne peut donc exclure le

is het theoretisch, dat de landen die veel te laat ratificeren uitgesloten zouden worden van het Protocol. Dit zou impliceren dat voor de landen van de Europese Unie het akkoord enkel in voege zou treden voor wat de communautaire bevoegdheden betreft.

Het U voorgelegde protocol moet samengezien worden met het Derde protocol inzake het personenverkeer. Het dient vooral de belangen van de industrielanden, terwijl het derde protocol in het voordeel van de ontwikkelingslanden is.

Overeenkomstig het advies van de Raad van State van 23 juni 1997, werd artikel 3 van het voorontwerp van wet geschrapt.

risque politique, fût-il théorique, que des pays qui ratifient bien trop tard soient exclus du Protocole. Ceci impliquerait, pour les pays de l'Union européenne, que l'Accord n'entrerait en vigueur que pour ce qui concerne les compétences communautaires.

Le Protocole qui vous est soumis doit être considéré comme lié avec le troisième Protocole en matière de mouvements de personnes. Il sert surtout les intérêts des pays avancés, alors que le troisième est favorable aux pays en voie de développement.

Conformément à l'avis du Conseil d'État du 23 juin 1997, l'article 3 de l'avant-projet de loi a été supprimé.

SERVICIOS FINANCIEROS 3) Además de las medidas horizontales contenidas en la Sección I de la lista de compromisos de Chile y que afectan a todos los sectores, el proveedor de servicios financieros que opere por medio de una presencia comercial podrá estar sujeto a una prueba de necesidad económica. Esto es, deberá obtener una autorización previa para iniciar, suspender o poner término a sus operaciones por parte de la Superintendencia de Bancos e Instituciones Financieras, en el caso de servicios bancarios, y por la Superintendencia de Valores y Seguros en el caso de los servicios de valores y seguros.

La utilización para prestar servicios financieros, por medio de una presencia comercial se otorgará en la medida que la entidad postulante garantice el funcionamiento, integridad y estabilidad del mercado, cumpla con los requisitos establecidos en la ley, y sirva al interés nacional.

El sector de servicios financieros en Chile contempla una segmentación parcial. Esto es, las entidades, nacionales y extranjeras, autorizadas a operar como bancos no pueden incursionar directamente en el negocio de seguros o valores y viceversa. Sin embargo, los bancos nacionales y extranjeros que operan en Chile, previa autorización de la Superintendencia de Bancos e Instituciones Financieras, pueden crear empresas filiales, con capital propio, para proveer servicios financieros complementarios.

a) Servicios bancarios
En el caso de instituciones bancarias extranjeras éstas deberán ser sociedades legalmente constituidas en su país de origen, y constituir el capital que fije la ley en Chile. En los casos de participación accionaria en bancos chilenos establecidos y de subsidiarias, deberán adquirir personalidad jurídica en Chile.

Las instituciones bancarias extranjeras sólo pueden operar:

4. Notwithstanding note 1. above, the market access and national treatment commitments in respect of mode (4) on financial services are those in the «all sectors» section of this schedule, except for Sweden in which case commitments are made in accordance with the Understanding.
5. The admission to the market of new financial services or products may be subject to the existence of, and consistency with, a regulatory framework aimed at achieving the objectives indicated in Article 2(a) of the Financial Services Annexe.
6. As a general rule and in a non-discriminatory manner, financial institutions incorporated in a Member State of the Community must adopt a specific legal form.

Unlike foreign subsidiaries, branches established directly in a Member State by a non-Community financial institution are not, with certain limited exceptions, subject to prudential regulations harmonized at Community level which enable such subsidiaries to benefit from enhanced facilities to set up new establishments and to provide cross-border services throughout the Community. Therefore, such branches receive an authorization to operate in the territory of a Member State under conditions equivalent to those applied to domestic financial institutions of that Member State, and may be required to satisfy a number of specific prudential requirements such as, in the case of banking and securities, separate capitalization and other solvency requirements and reporting and publication of accounts requirements or, in the case of insurance, specific guarantee and deposit requirements, a separate capitalization, and the localization in the Member State concerned of the assets representing the technical reserves and at least one third of the solvency margin. Member States may apply the restrictions indicated in this schedule only with regard to the direct establishment from a third country of a commercial presence or to the provision of cross-border services from a third country; consequently, a Member State may not apply these restrictions, including those concerning establishment, to third-country subsidiaries established in other Member States of the Community, unless these restrictions can also be applied to companies or nationals of other Member States in conformity with Community law.

Thus, the obligations under the Understanding are incurred in the sectors of Financial Services additionally to those covered by the provisions of Part III of this Agreement and the Annex on Financial Services.

In this context, securities firms are allowed to deal in securities defined in the relevant Japanese law, and banks are not allowed to deal in those securities unless allowed in accordance with the said law.

UNDERSTANDING ON COMMITMENTS IN FINANCIAL SERVICES

Participants in the Uruguay Round have been enabled to take on specific commitments with respect to financial services under the General Agreement on Trade in Services (hereinafter referred to as the «Agreement») on the basis of an alternative approach to that covered by the provisions of Part III of the Agreement. It was agreed that this approach could be applied subject to the following understanding:

- (i) it does not conflict with the provisions of the Agreement;
- (ii) it does not prejudice the right of any Member to schedule its specific commitments in accordance with the approach under Part III of the Agreement;
- (iii) resulting specific commitments shall apply on a most-favoured-nation basis;
- (iv) no presumption has been created as to the degree of liberalization to which a Member is committing itself under the Agreement.

Interested Members, on the basis of negotiations, and subject to conditions and qualifications where specified, have inscribed in their schedule specific commitments conforming to the approach set out below.

A. Standstill

Any conditions, limitations and qualifications to the commitments noted below shall be limited to existing non-conforming measures.

B. Market access

Monopoly rights

1. In addition to Article VIII of the Agreement, the following shall apply:

each Member shall list in its schedule pertaining to financial services existing monopoly rights and shall endeavour to eliminate them or reduce their scope. Notwithstanding subparagraph 1 (b) of the Annex on Financial Services, this paragraph applies to the activities referred to in subparagraph 1 (b) (iii) of the Annex.

Financial services purchased by public entities

2. Notwithstanding Article XIII of the Agreement, each Member shall ensure that financial service suppliers of any other Member established in its territory are accorded most-favoured-nation treatment and national treatment as regards the purchase or acquisition of financial services by public entities of the Member in its territory.

Cross-border trade

3. Each Member shall permit non-resident suppliers of financial services to supply, as a principal, through an intermediary or as an intermediary, and under terms and conditions that accord national treatment, the following services:

- (a) insurance of risks relating to:
 - (i) maritime shipping and commercial aviation and space launching and freight (including satellites), with such insurance to cover any or all of the following: the goods being transported, the vehicle transporting the goods and any liability arising therefrom; and
 - (ii) goods in international transit;
 - (b) reinsurance and retrocession and the services auxiliary to insurance as referred to in subparagraph 5 (a) (iv) of the Annex;
 - (c) provision and transfer of financial information and financial data processing as referred to in subparagraph 5 (a) (xv) of the Annex and advisory and other auxiliary services, excluding intermediation, relating to banking and other financial services as referred to in subparagraph 5 (a) (xvi) of the Annex.
4. Each Member shall permit its residents to purchase in the territory of any other Member the financial services indicated in:
 - (a) subparagraph 3 (a);
 - (b) subparagraph 3 (b); and
 - (c) subparagraphs 5 (a) (v) to (xvi) of the Annex.

Commercial presence

5. Each Member shall grant financial service suppliers of any other Member the right to establish or expand within its territory, including through the acquisition of existing enterprises, a commercial presence.

6. A Member may impose terms, conditions and procedures for authorization of the establishment and expansion of a commercial presence in so far as they do not circumvent the Member's obligation under paragraph 5 and they are consistent with the other obligations of this Agreement.

New financial services

7. A Member shall permit financial service suppliers of any other Member established in its territory to offer in its territory any new financial service.

Transfers of information and processing of information

8. No Member shall take measures that prevent transfers of information or the processing of financial information, including transfers of data by electronic means, or that, subject to importation rules consistent with international agreements, prevent transfers of equipment, where such transfers of information, processing of financial information or transfers of equipment are necessary for the conduct of the ordinary business of a financial service supplier. Nothing in this paragraph restricts the right of a Member to protect personal data, personal privacy and the confidentiality of individual records and accounts so long as such right is not used to circumvent the provisions of the Agreement.

Temporary entry of personnel

9. (a) Each Member shall permit temporary entry into its territory of the following personnel of a financial service supplier of any other Member that is establishing or has established a commercial presence in the territory of the Member:

(i) senior managerial personnel possessing proprietary information essential to the establishment, control and operation of the services of the financial service supplier; and

(ii) specialists in the operation of the financial service supplier.

(b) Each Member shall permit, subject to the availability of qualified personnel in its territory, temporary entry into its territory of the following personnel associated with a commercial presence of a financial service supplier of any other Member:

(i) specialists in computer services, telecommunication services and accounts of the financial service supplier; and

(ii) actuarial and legal specialists.

Non-discriminatory measures

10. Each Member shall endeavour to remove or to limit any significant adverse effects on financial service suppliers of any other Member of:

(a) non-discriminatory measures that prevent financial service suppliers from offering in the Member's territory, in the form determined by the Member, all the financial services permitted by the Member;

(b) non-discriminatory measures that limit the expansion of the activities of financial service suppliers into the entire territory of the Member;

(c) measures of a Member, when such a Member applies the same measures to the supply of both banking and securities services, and a financial service supplier of any other Member concentrates its activities in the provision of securities services; and

(d) other measures that, although respecting the provisions of this Agreement, affect adversely the ability of financial service suppliers of any other Member to operate, compete or enter the Member's market;

provided that any action taken under this paragraph would not unfairly discriminate against financial service suppliers of the Member taking such action.

11. With respect to the non-discriminatory measures referred to in subparagraphs 10(a) and (b), a Member shall endeavour not to limit or restrict the present degree of market opportunities nor the benefits already enjoyed by financial service suppliers of all other Members as a class in the territory of the Member, provided that this commitment does not result in unfair discrimination against financial service suppliers of the Member applying such measures.

C. National treatment

1. Under terms and conditions that accord national treatment, each Member shall grant to financial service suppliers of any other Member established in its territory access to payment and clearing systems operated by public entities, and to official funding and refinancing facilities available in the normal

course of ordinary business. This paragraph is not intended to confer access to the Member's lender of last resort facilities.

2. When membership or participation in, or access to, any self-regulatory body, securities or futures exchange or market, clearing agency, or any other organization or association, is required by a Member in order for financial service suppliers of any other Member to supply financial services on an equal basis with financial service suppliers of the Member, or when the Member provides directly or indirectly such entities, privileges or advantages in supplying financial services, the Member shall ensure that such entities accord national treatment to financial service suppliers of any other Member resident in the territory of the Member.

D. Definitions

For the purposes of this approach:

1. A non-resident supplier of financial services is a financial service supplier of a Member which supplies a financial service into the territory of another Member from an establishment located in the territory of another Member, regardless of whether such a financial service supplier has or has not a commercial presence in the territory of the Member in which the financial service is supplied.
2. «Commercial presence» means an enterprise within a Member's territory for the supply of financial services and includes wholly- or partly-owned subsidiaries, joint ventures, partnerships, sole proprietorships, franchising operations, branches, agencies, representative offices or other organizations.
3. A new financial service is a service of a financial nature, including services related to existing and new products or the manner in which a product is delivered, that is not supplied by any financial service supplier in the territory of a particular Member but which is supplied in the territory of another Member.

ADVIES VAN DE RAAD VAN STATE

DE RAAD VAN STATE, afdeling wetgeving, eerste kamer, op 19 juni 1997 door de minister van Buitenlandse Zaken verzocht hem, binnen een termijn van ten hoogste drie dagen, van advies te dienen over:

1) een voorontwerp van wet «houdende instemming met het Tweede Protocol bij de Algemene Overeenkomst inzake de handel in diensten, gedaan te Genève op 6 oktober 1995» (L. 26.593/1),

2) een voorontwerp van wet «houdende instemming met het Derde Protocol bij de Algemene Overeenkomst inzake de handel in diensten, gedaan te Genève op 6 oktober 1995» (L. 26.594/1),

heeft op 23 juni 1997 het volgende advies gegeven:

Volgens artikel 84, eerste lid, 2^o, van de gecoördineerde wetten op de Raad van State, ingevoegd bij de wet van 4 augustus 1996, moeten in de adviesaanvraag de redenen worden opgegeven tot staving van het spoedeisend karakter ervan.

In het onderhavige geval luidt die motivering als volgt:

«Deze dringende behandeling is aangewezen gezien:

- de termijnen verstreken zijn sinds november 1996;
- de positie van België in de internationale handel benadeeld wordt; en
- de positie van België eveneens benadeeld wordt voor de nieuwe cyclus van onderhandelingen betreffende de financiële diensten;»

Met toepassing van het bepaalde in artikel 84, tweede lid, van de gecoördineerde wetten op de Raad van State, gewijzigd bij de wet van 4 augustus 1996, heeft de afdeling wetgeving zich beperkt tot «het onderzoek van de rechtsgrond, van de bevoegdheid van de steller van de handeling, alsmede van de vraag of aan de voorgeschreven vormvereisten is voldaan.»

Dat onderzoek noopt tot het maken van de volgende opmerking.

De lijsten waarvan sprake in artikel 3 van de beide voor advies voorgelegde ontwerpen werden op vraag van de auditeur-verslaggever aan de afdeling wetgeving van de Raad van State medegedeeld.

De wetgever kan echter niet bepalen dat toekomstige, met andere woorden op heden nog niet gerealiseerde of alleszins niet aan de wetgevende kamers bekende wijzigingen aan die lijsten reeds op voorhand «volkomen gevolg» zullen hebben in de federale Belgische rechtsorde.

De kamer was samengesteld uit:

De heer J. DE BRABANDERE, kamervoorzitter;

De heren M. VAN DAMME en D. ALBRECHT, staatsraden;

Mevrouw A. BECKERS, griffier.

De overeenstemming tussen de Nederlandse en de Franse tekst werd nagezien onder toezicht van de heer D. ALBRECHT.

Het verslag werd uitgebracht door de heer P. DEPUYDT, auditor. De nota van het Coördinatiebureau werd opgesteld en toegeleid door Mevrouw M.-C. CEULE, eerste referendaris.

De Griffier,

A. BECKERS.

De Voorzitter,

J. DE BRABANDERE.

AVIS DU CONSEIL D'ÉTAT

LE CONSEIL d'ÉTAT, section de législation, première chambre, saisi par le ministre des Affaires étrangères, le 19 juin 1997, d'une demande d'avis, dans un délai ne dépassant pas trois jours, sur:

1) un avant-projet de loi «portant assentiment au Deuxième Protocole annexé à l'Accord général sur le commerce des services, fait à Genève le 6 octobre 1995» (L. 26.593/1),

2) un avant-projet de loi «portant assentiment au Troisième Protocole annexé à l'Accord général sur le commerce des services, fait à Genève le 6 octobre 1995» (L. 26.594/1),

a donné le 23 juin 1997 l'avis suivant:

Conformément à l'article 84, alinéa 1^{er}, 2^o, des lois coordonnées sur le Conseil d'État, inséré par la loi du 4 août 1996, la demande d'avis doit indiquer les motifs qui en justifient le caractère urgent.

En l'occurrence, cette motivation est la suivante :

«Deze dringende behandeling is aangewezen gezien:

- de termijnen verstreken zijn sinds november 1996;
- de positie van België in de internationale handel benadeeld wordt; en
- de positie van België eveneens benadeeld wordt voor de nieuwe cyclus van onderhandelingen betreffende de financiële diensten;»

En application de l'article 84, alinéa 2, des lois coordonnées sur le Conseil d'État, modifié par la loi du 4 août 1996, la section de législation s'est limitée à «l'examen du fondement juridique, de la compétence de l'auteur de l'acte ainsi que de l'accomplissement des formalités prescrites.»

Cet examen requiert de formuler les observations suivantes.

À la demande de l'auditeur rapporteur, les listes mentionnées à l'article 3 des deux projets soumis pour avis ont été transmises à la section de législation du Conseil d'État.

Le législateur ne peut toutefois prévoir que des modifications futures de ces listes, autrement dit des modifications n'ayant pas encore été réalisées à ce jour ou étant du moins inconnues des chambres législatives, sortiront déjà à l'avance leur «plein et entier effet» dans l'ordre juridique de la Belgique fédérale.

La chambre était composée de :

M. J. DE BRABANDERE, président de chambre;

MM. M. VAN DAMME et D. ALBRECHT, conseillers d'État;

Mme A. BECKERS, greffier.

La concordance entre la version néerlandaise et la version française a été vérifiée sous le contrôle de M. D. ALBRECHT.

Le rapport a été présenté par P. DEPUYDT, auditeur. La note du Bureau de coordination a été rédigée et exposée par Mme M.-C. CEULE, premier référendaire.

Le Greffier,

A. BECKERS.

Le Président,

J. DE BRABANDERE.
